Disability Confident Scheme

At NERC as part of UKRI we are proud to be users of the [disability confident scheme](#). We guarantee to interview all disabled applicants who meet the essential criteria for any of our vacancies. The following section on the application form is to indicate if you would like to be considered under this scheme.

Please advise if you would like to be considered under the [disability confident scheme](#)

Yes

No

If you wish to discuss any accessibility considerations or reasonable adjustment(s) you may require, please respond to SwindonGDSAdmin@nerc.ukri.org

Reasonable adjustments

We want to make our recruitment processes as well as participation in our boards and panels accessible to all, such as making adjustment for people with a disability.

If you have any queries regarding the application process, if you would like this application in a different format (for example, accessible PDF, large print, easy read, audio recording or braille), or if you would like to discuss how we can support your application please email:

SwindonGDSAdmin@nerc.ukri.org

[Accessibility statement for our website – UKRI](#)

Should your application be successful, we will work to fulfil your requirements to enable you to fully participate in board and panel meetings.

Please let us know in advance if you would like to discuss in confidence how we can support you, or if you require an alternative way to submit your application:

SwindonGDSAdmin@nerc.ukri.org

Potential or Actual Conflicts of Interest

Please give details of any business or other interests or any personal connections which, if you are appointed, could present a conflict of interest holding this role. These could include financial interests or share ownership, membership of societies, activities, associations or employment of a partner or friend in the particular field in which the public body operates.

Any potential or actual conflicts of interest detailed here will not prevent you going forward to interview but may, if appropriate, be explored with you during your interview to establish how you would address the issue(s) should you be successful in your application. If you have no interests that might be actual or perceived conflicts of interest, please write “**none**”.

Click or tap here to enter text.

Equal opportunities monitoring information.

The data is being collected to enable us to monitor the diversity of applicants to key NERC governance bodies. We need your help and co-operation to enable us to do this, however filling in this form is voluntary. All information will be held confidentially and treated as strictly confidential. Analysis of the aggregated information will be used for statistical purposes and reporting and a summary of the information will be published on the NERC website.

Please refer to the UKRI Privacy Notice: <https://www.ukri.org/about-us/privacy-notice/>

At UKRI, we believe that everyone has a right to be treated with dignity and respect, and to be provided with opportunities to flourish and succeed in a supportive environment. We also value diversity of thought and experience within inclusive groups, organisations and the wider community.

To maintain the UK's world-leading position in this field, we want to become even better at attracting and nurturing people from the widest possible pool, and enabling them to fulfil their career ambitions. We believe we can inspire, engage with and learn from all our people to maximise the benefits that diversity of thought and experience can provide.

The 7 questions (Age, Disability, Ethnicity, Religion or belief, Sex and Gender, and Sexual orientation) will enable us to build an accurate picture of the make-up of our applicants.
